IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 21, 2013

Mr. COFFMAN (for himself and Mrs. KIRKPATRICK) introduced the following bill; which was referred to the Committee on Veterans' Affairs

A BILL

To amend title 38, United States Code, to improve the construction of major medical facilities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as “The VA Construction As-
5 sistance Act of 2013”.

6 **SEC. 2. FINDINGS; SENSE OF CONGRESS.**

7 (a) FINDINGS.—Congress finds the following:

3 projects of the Department of Veterans Affairs have
4 averaged 35 months, with the delays ranging from

13 (2) in order to minimize repeated delays and
14 cost increases to such projects, the Secretary of Vet-
15 erners Affairs should fully implement all rec-
16 ommendations made by the Comptroller General of
17 the United States in an April 2013 report to im-
18 prove construction procedures and practices of the
19 Department; and

20 (3) management of the major medical facility
21 projects currently underway as of the date of the en-
22 actment of this Act in Denver, Colorado, Orlando,
23 Florida, and New Orleans, Louisiana, should be sub-
24 ject to the oversight of a special project manager of

1 the Army Corps of Engineers that is independent of
2 the Department of Veterans Affairs.

3 **SEC. 3. IMPLEMENTATION OF MAJOR MEDICAL FACILITY**

4 **CONSTRUCTION REFORMS.**

5 Section 8104 of title 38, United States Code, is
6 amended by adding at the end the following new sub-
7 section:

8 “(i)(1) With respect to each project described in
